

**Bankruptcy Petition Software
and the
Bankruptcy Abuse Prevention and Consumer Protection Act of 2005**

The court is upgrading CM/ECF to version 2.7 to implement the many provisions of the Act. We currently has v 2.7 installed on our “training” database which is available to anyone who has attended one of our training classes and received a login and password for the training database.

Please be advised that the following bankruptcy petition software vendors have tested their newest release with us.
